## TRAEGER BROTHERS - 99 YEARS AND COUNTING!

CUSTOMER SATISFACTION ★ HONESTY ★ A "CAN DO" ATTITUDE ★ DEPENDABILITY ★ ACCOUNTABILITY ★ DIVERSITY

### ABOUT US

Traeger Brothers is proud to be a 3rd generation, family owned, Pipe, Valve, and Fitting Distributor. With over 99 years of experience, we are one of the oldest and largest PVF distributors in the region. We are headquartered in **South Florida** with additional stocking branches in **Central Florida, Texas**, and the **Western Caribbean**. Our strategic locations provide us with access to land, air, and seaports along the Atlantic and Gulf Coasts allowing us to ship material anywhere in the world.

Traeger is committed to providing our customers with quality products and services. Our long-standing partnerships with top PVF manufacturers and suppliers allow us to provide the best possible service and solutions. Additionally we offer a wide range of services including custom fabricated pipe and fittings, custom pipe cuts, machining, specialty coatings, valve automation, valve repair, and much more...

*"Family says we are independent and not some big corporation. We care about you; we are all in this together. We are your neighbors, we are your partners, we are your family" - Howard Traeger, President*
